Sub.: Approval of your "Testing Laboratory" For (Conducting Physical and Chemical Tests) as per Indian Boiler Regulations, 1950.

Gentlemen,

With reference to your letter No. 2026-01, dated 22-01-2026, and subsequent to visit of a competent person of this Directorate to your workshop on **27-03-2026**, for the purpose of verification of all the testing facilities, manpower, quality systems, etc., I have to inform you that same are found satisfactory. You are now provisionally permitted to conduct "**Testing Laboratory" For Conducting Physical and Chemical Tests**) as per the provisions in Indian Boiler Regulations, 1950 & its latest amendment and Maharashtra Boiler Rules, 1962 under the supervision of this Directorate for a period up to **31.12.2026** subject to the following terms and conditions:

- 1 All test specimens received from various clients should be properly identified, stored, prepared and handled carefully at all stages of testing. All such specimens should be offered for transfer of stamp whenever necessary.
- 2 A clean and pollution free environment should be maintained at the place of test and good housekeeping practices should be followed.
- 3 All tests should be carried out in the presence of Competent Person of this Directorate. All such reports should be signed by your qualified and authorized person and also signed by the Competent Person as witness. The reports should then be submitted to the Joint/Director of Steam Boilers, (M.S.), for scrutiny and acceptance. A record of all the tests should be properly maintained in a register. Secrecy of the record must be maintained in order to safe guard the interest of the customer.
- 4 All the testing machines should be calibrated periodically in the presence of competent person of this Directorate.
- 5 As far as possible you should maintain adequate literature, reference codes and latest information about testing practices for ready references.
